

# PREETAM SINGH

preetam-profile | singhpreetam032@gmail.com | 9027847782

## Introduction and Aspiration:

- I aspire to become a full stack web developer and develop software for business solutions.
- I enjoy problem solving and working on challenging projects.
- I am very adaptive and can work outside my comfort zone for achieving the given tasks.
- I find learning new technologies and developing new techniques very intriguing.

## Projects :

- **Profile-Website**

Project linked below is my Profile website. The website uses React and modern MVC architecture for achieving a dynamic website. The project is fully responsive and utilizes various NPM libraries.
