

# PREETAM SINGH

preetam-profile | singhpreetam032@gmail.com | 9027847782

## Introduction and Aspiration:

- I aspire to become a full stack web developer and develop software for business solutions.
- I enjoy problem solving and working on challenging projects.
- I am very adaptive and can work outside my comfort zone for achieving the given tasks.
- I find learning new technologies and developing new techniques very intriguing.

## Projects :

- **Poke-Dart**

Poke-Dart is a full stack project that utilizes React, Mongo, Mongoose, Express and Node.js for making a Restful API. The project has both Frontend and Backend and is used to fetch information about 151 original Generation 1 Pokémon's.
